

1979 CLASSIC CALIFORNIA RED

Vintage Table Wine

California's Central Coast counties are recognized among the world's superior grape growing regions. The cool climate, light soil and exceptionally long growing season are ideal for certain grape varieties yielding vintage wines characterized by complex varietal flavor.

This 1979 Vintage Classic Red wine has been carefully blended to achieve a unique balance of three classic varietal grapes. The result is a full-bodied and balanced dry table wine of unusual complexity.

The basis for this blend is the primary grape of Bordeaux: Cabernet Sauvignon (65%), with its full body, dark color, mellow tannin and singular flavor. To enhance complexity, Zinfandel (20%) adds its raspberry/spicy characteristics, and Pinot Noir (15%) contributes softness and delicate balance.

This Classic, full-bodied Vintage Red wine is an ideal accompaniment for roasts, prime rib, and other hearty foods.
